

**GOOD** – represents you.  
It represents the minimum required in a moral situation.

**BETTER** – represents our family.  
Take the next step in extending a courtesy.

**BEST** – represents God.  
It is doing over and above what is required.

**GOOD** is acceptable,  
and  
**BETTER** is preferable,  
but  
seeking to please God is most **desirable**.

***Philippians 1:10a*** (NKJV)  
“That you may approve the things that are excellent...”
